Greetings from GITIC.

As part our our outreach initiative, GITIC is hosting a Student connect program. The objective is to have IT/Comp Engg. students interact with established IT entrepreneurs from Goa. These IT entrepreneurs will be ,

Mr. Milind Prabhu of Genora
Mr. Luke Sequeira of DCCPER / Goa ME,
Mr. Prajyot Mainkar of Androcid
Mr. Jonathan Pereira of Google Users Group - Goa

I too will be part of this panel representing GITIC.

We hope to spark an interest in the students about innovating with IT in Goa, offer insights about IT companies and overall hope to give them a glimpse of the IT industry in Goa.

Schedule of the Event
   Date   :   7th April 2015
   Time   :   3.00 P.M
   Venue   :   N5
   Who can attend :   Third and Final year CSE students

Thanking you.

Sincerely,

Jervis Pereira,
Director - Gitic
Goa IT Innovation Centre
