## ADVERTISEMENT FOR RECRUITMENT OF PROFESSOR OF PRACTICE

National Institute of Technology Goa, an Institute of National Importance under the Ministry of Education, Government of India, invites applications from distinguished professors/practitioners/professional experts in the fields of Engineering, Science, Management and Humanities for various positions of Professor of Practice and Associate Professor of Practice.

Application details, academic and professional qualification, experience, tenure, honorarium and other details can be accessed from the Institute website [www.nitgoa.ac.in](http://www.nitgoa.ac.in).

### **GENERAL INSTRUCTIONS / INFORMATION TO CANDIDATES**

Associate Professor of Practice/ Professor of Practice is a full-time position. The selected candidate will be required to physically move to and reside at NIT Goa for the entire duration of the appointment to engage with faculty and students on campus. Professor of Practice would be expected to enrich the experience of students by bringing deep understanding and appreciation of the best practices as applied in real world settings. These individuals would ideally provide students with a deeper understanding of the practical applications in a particular field of study. Additionally, they would help promote the integration of academic scholarship with the practical experience of professionals in a given field. They may also serve as liaisons between industry or government and the institute in identifying teaching and research opportunities that support the public interest and societal needs.

1. The following are various departments, eagerly looking for Professor of Practice and Associate Professor of Practice for research, teaching and learning, training/ conducting research activities:

|                                                  |                    |
|--------------------------------------------------|--------------------|
| <b>Engineering</b>                               | <b>Science/HSS</b> |
| <b>Computer Science and Engineering</b>          | <b>Mathematics</b> |
| <b>Electronics and Communication Engineering</b> | <b>Physics</b>     |
| <b>Electrical Engineering</b>                    | <b>Chemistry</b>   |
| <b>Civil Engineering</b>                         | <b>Economics</b>   |
| <b>Mechanical Engineering</b>                    |                    |

2. The eligibility, qualifications, experience and other requirements are given below

**ELIGIBILITY AND QUALIFICATION FOR PROFESSOR/ASSOCIATE PROFESSOR OF PRACTICE**

- a) Candidates should have a minimum of 15 years or 10 years of experience for Professor of Practice and Associate Professor of Practice, respectively. This should be managerial or professional experience and should have worked in a senior management position such as CEO/CTO/Vice President/Director for a reasonable period.
- b) They should have at least a master's degree in Engineering/ Sciences/ Humanities or a related field. Ph.D. is desirable but not essential. However, a lack of Ph.D. must be offset by demonstrated domain knowledge, obtained from deep experience in the 'field'.

3. **SELECTION**

- a) Applications will be scrutinized by a Standing Committee.

4. **ACTIVITIES AND SCOPE OF WORK**

This is a full-time position. The selected candidate will be required to physically move to and reside at NIT Goa to engage with the faculty and students throughout the tenure of the appointment.

As per the specialized guidelines, the Professor of Practice/Associate Professor of Practice is expected to perform a wide range of activities including:

- a) Design, development and offering of new practice-oriented courses;
- b) Advise students in their projects linking them with appropriate external stakeholders;
- c) Engage in department building activities including creation of new programmes and Centres and enhancement of scope and activities of the department;
- d) Develop Continuing Education Programmes, undertake outreach activities and conduct extension programmes;
- e) Encourage students in innovation and entrepreneurship projects and provide necessary mentorship for these activities; and
- f) Contribute to enhanced industry academia collaborations.
- g) Undertake a regular teaching workload and instructional responsibilities as prescribed by the Institute; and
- h) Carry out any other academic or administrative responsibilities as may be assigned by the Institute authorities from time to time.

## 5. **DESIRABLE QUALIFICATION AND EXPERIENCE**

- i. Product design and development/Project R&D/Patent products/ New application of materials or process etc
  - ii. Guided internships/student projects
  - iii. Taught at any CFIs for at least one year/offered a full course at UG/PG level at any of the CFIs
  - iv. Work experience from world class universities/ top rated research institutions, national labs or fellows of prestigious academies.
  - v. Research publications in SCI/WoS journals/Patents granted/ Technology Transfer executed.
  - vi. Collaboration with funding agencies/research labs of global organizations/ universities/ consultancy works leading to revenue generation etc.
  - vii. Exposure in Start-ups/unicorns.
6. These appointments are being made under the specialized guidelines for Industry-Academia interaction as recommended by the Ministry of Education (MoE) Report dated Dec 28, 2020 as per annexure-I. As these are non-regular, tenure-based practitioner positions, the specific eligibility criteria mentioned herein supersede traditional academic recruitment norms (such as mandatory PhD) for regular faculty cadres.
7. For candidates without a Ph.D., 'demonstrated domain knowledge' will be assessed based on evidence of: (i) Significant contribution to the field through Patent filings/grants, (ii) Leadership in large-scale industrial projects, (iii) Development of new technologies/products successfully deployed in the market, or (iv) Recognition by national/international professional bodies.
8. The Standing Committee reserves the right to accord higher weightage to 'Senior Management Experience' and 'Practical Innovation' over 'Academic Research' for the positions of Professor of Practice/ Associate Professor of Practice, in alignment with the objective of bringing industry perspective to the classroom.
9. The terms, conditions, and benefits of appointment for all positions notified herein shall be broadly based on the guidelines provided in Annexure-I (MoE Report dated Dec 28, 2020), subject to the statutes of NIT Goa and decisions of the Board of Governors (BoG) from time to time. The Institute reserves the right to modify, add, or waive any terms of engagement based on local considerations or administrative requirements.
10. Person being appointed as Professor of Practice may also be permitted to keep a lien on its position in the industry.
11. Candidates are advised to read all the instructions carefully before filling up the application.
12. Mere fulfilment of minimum qualification and experience requirements for the post does not entitle the candidates for these posts.
13. The Institute reserves the right to reject any or all application without assigning any reason.

14. The eligibility, qualification and experience for the posts notified shall be governed by the guidelines issued by the MoE from time to time.
15. Any misleading or wrong information provided may lead to summarily rejection of application/applicant, if found subsequently.
16. Canvasing in any form by or on behalf of a candidate will be disqualified.
17. The Institution reserves the right to fill or not to fill any of the posts advertised.
18. Persons working in Government/University/Public Sector must apply through proper channel.
19. Apart from merit, the specialization, research contribution, consultancy, sponsored research projects patents, expertise in new product development and recent advances in technology will play a vital role in selection.
20. Candidates from industry having experience in providing internship and exposure to teaching, research guiding in reputed institution will be given preference.
21. The upper age limit for applicants is 70 years.
22. Decision of the institute on ranking or reputation of the universities/Institution/ Industries/Research labs shall be final.
23. Exceptional candidates who does not meet the above criteria but if they have made significant contribution to teaching or in their respective field may also apply.

#### **REMUNERATION AND OTHERS TERMS AND CONDITIONS**

##### **a) Benefits:**

The Professor of Practice is a **contractual** appointment and the person will be appointed on a consolidated pay depending on experience. The leave, and other benefits will be as per Institute norms.

##### **b) Professor of Practice:**

| <b>Post</b>                     | <b>Tenure</b> | <b>Monthly Consolidated Salary</b> |
|---------------------------------|---------------|------------------------------------|
| Professor of Practice           | 1 year*       | Rs 1.2 lakhs per month             |
| Associate Professor of Practice | 1 year*       | Rs 1.00 lakh per month             |

\* Initially, the appointment is for a period of one year. Based on a rigorous review of performance and institutional requirements, the tenure may be extended for further periods.

## **HOW TO APPLY**

- a) Candidates willing to apply for the post are advised to download the Application Form from the NIT Goa website <http://www.nitgoa.ac.in>. The duly completed prescribed Application Form (in A-4 size paper) along with all supporting documents, annexure, duly self-attested must be submitted in hard copy through speed post/registered/hand post to 'The Registrar, National Institute of Technology Goa, Cuncolim, South Goa District, Goa, Pin-403703.
